Sunday, February 25<sup>th</sup>, 2018

This month's \$125 Challenge tournament will include a complimentary buffet. This will be first come first serve, while supplies last. We will prepare food for approximately 50 players. You must have the wristband given to registrants to get food.

Food will be available during the first break following the close of registration. This break will be extended to 20 minutes to give players a chance to get and eat their meal.
